Checklist Application

Virginia Green Entry Level Partner Requirements

To qualify, you must be able to check all of the boxes below:

- Recycling.** Our business is actively recycling materials that are readily recyclable in our community; and we are providing our customers with opportunities to recycle. Recycling is an absolute requirement for the Virginia Green Commitment Level. (If you are unable to recycle for some reason, please explain below*)
- Polystyrene Disposables.** Our business has eliminated the use of polystyrene (commonly referred to as "styrofoam") take-out containers and cups.
- Energy Conservation & Efficiency.** Our business is actively working to reduce the use of electricity and other energy sources through conservation and use of energy efficient appliances, lighting, equipment, and practices.
- Water Conservation & Efficiency.** Our business is actively working to reduce water use through general conservation and replacement/use of water-efficient fixtures, appliances, and practices.
- Green Meetings & Events.** Our business pledges to provide for recycling, reuse of meeting materials, electronic handouts, and to reduce wastes to the greatest extent possible when hosting meetings and events.
- Consumer Engagement.** Our business pledges to share its environmental efforts with its customers and promote that it is a Virginia Green Partner on its website, in its business, and in promotional materials.
